

To: Troop 45 Parents and Scouts

From: Kevin O'Leary, Scout Camp Coordinator

Re: Camp Bell, July 13 – July 19, 2008

Troop 45 will be attending summer camp at the Daniel Webster Council's Camp Bell at the Hidden Valley Scout Reservation in Gilmanton Iron Works, NH. Information about Camp Bell can be found at <http://www.nhscouting.org/openrosters/ViewOrgPageLink.asp?LinkKey=11456&orgkey=1812>

Here is the basic logistical information concerning our week at camp:

When: Sunday July 13th through Saturday July 19th.

Cost: The fee for camp is \$335 and must be paid by **May 10, 2008**. (Special note for brothers: The weekly fee is reduced by \$25.00 for each brother in the same family attending the camp. If more than one boy from the same family is going, please reduce your payment accordingly.) Checks should be made payable to "Troop 45". Payments can be sent to me at: 30 East Wheelock Street, Hanover 03755 or delivered to Tim Smith at a troop meeting.

Health Form: Each Scout and adult staying in camp must have a health form recorded on the **official BSA form**. Forms are available at Troop meetings and in the Library portion of the Troop web site. <http://www.troop45bsa.org/library/MedForm.pdf> The physical exam for Scouts and adults under 40 must be signed by a doctor no more than 2 years prior to July 13, 2008. In other words, a form based on last year's exam is OK. **Adults over 40 require an annual physical.** Please note: Scouts will NOT be allowed to stay at camp without a completed form. Please make your doctor's appointments now to be sure the form will be completed on time. If you just need the form filled out, please send it to your doctor's office as soon as possible to ensure you receive it back on time. Please send me your completed form as soon as you have it. (Feel free to send the form in sealed envelope to protect any information you want kept confidential.)

Volunteers Needed: Adults are needed with the Troop at Camp. We need at least two adults in camp every night! If you can come for some or all of the camp, please indicate on the form below. (Note: **You will need a completed health form if you are going to volunteer at Camp.**)

Questions: If you have questions, please contact me (h-643-0512, w- 646-0101, Kevin.D.OLeary@dartmouth.edu).
